

Report of Operative G T Purdy

Sept. 5th, 1926.

SUBJECT: MRS. GIBSON

Operative went to Bayonne, N.J. this A.M. and made further inquiries about Mrs. Williams in the vicinity of 30th Street and Broadway and interviewed two men who were talking on the corner, one of whom was my informant of Friday. I asked him about the wedding and he said he heard that they were married quietly and the bride and groom went to Philadelphia. I remained with these men for several hours talking about Mrs. Gibson and Mrs. Williams. From their conversation I gathered that Mrs. Williams is not friendly with her sister, Mrs. Gibson.

Operative watched the house and observed several men go in and come out. Operative did not see any woman answering the description of Mrs. Williams enter or leave the place. There are many intoxicated and low types of men in this vicinity.

Operative referred to the Bayonne telephone directory and found there was a Dr. J. Adler listed at 933 Ave. C, Bayonne 556. Went to this address and interviewed Dr. Adler, who stated that he never practiced in Newark. I was trying to locate the Dr. Adler, whom Detective Coakely mentioned had moved to Bayonne. This Dr. Adler advised that he knew the Dr. Adler of Newark, but that he had moved to New York several years ago. I asked him if he knew Mrs. Williams at 30th St. and Broadway and he stated he did not, and does not know the Gibson woman either.

Operative then returned to the vicinity of 30th St. and Broadway
